MISSION STATEMENT

Reavis High School, together with students, staff, and community, provides a student-centered environment. We focus on educational opportunities in activities, athletics, and most importantly, academics. We empower students to respect and be respected, explore career goals, and maximize their full potential. Citizenship, responsibility, and leadership in an ever-changing and diverse society are at the core of every student's education at Reavis High School.

ATTENDANCE

Your son/daughter will benefit most from the educational opportunities at Reavis by daily attendance and being prompt to classes every day. Please be aware of the following rules:

When a student is absent from school, it is imperative that a parent/guardian call and notify the Attendance Office at (708) 430-1121 by 3:05 p.m. on the day of absence. The status of the absence for the day will be determined by the reason stated.

All absences beyond six (6) days during a semester will be considered unexcused unless a written doctor's note designating the dates and reasons for the absence is brought to the Deans' Office upon returning to school. All external suspension dates will count towards a student's six (6) days of absences per semester. A letter will notify parents/guardians when the six-day limit has been reached.

These procedures/policies are clearly stated in the "***Rights and Responsibilities***" section of the ***Student Handbook***. All students and parents/guardians need to be aware of the student's responsibility for daily attendance and prompt reporting to class.

IMPORTANT INFORMATION FROM THE DEANS' OFFICE

The Deans' Office wants to highlight several rules that may impact your student. Also, we have developed a more user-friendly "**Rights and Responsibilities**" section of the **Student Handbook**. Each student will receive a copy when schedules are picked up in August.

*Parents and Guardians:
Please refrain from texting
or calling your son or
daughter during the school
day. Call the Deans' Office
at 708-599-7200.,ext. 259
and we will forward your
message to them.*

MP3 players, radios, tape recorders, CD players, video & digital recorders, cameras, electronic games, electronic pagers, cellular radio telecommunication devices, cellular phones, IPODS, iPADS, and other such devices can be used from point of entry into the school building until 7:55 a.m. (the first class bell), in the student cafeteria during lunch and RAM periods, and in the hallways during RAM. Students may use their MP3 players and cellular phones to listen to music during passing periods but may only have one (1) ear bud in one (1) ear. Large headphones are not permitted during passing periods. Texting and talking on cell phones is not permitted during passing periods. Classroom use is at individual teachers' discretion, as outlined in their syllabus. Laser pointers are not permitted in the school building at any time.

Students will be issued a Reavis lanyard and school I.D. Students will be required to wear their I.D. lanyard daily. I.D. lanyards must be worn around the neck and visible. Students who fail to comply will be subject to disciplinary consequences by the Deans.

Each student is assigned a specific locker. The locker is NOT to be shared with any other student. A five dollar (\$5.00) fee will be charged to replace a student lock. Any student not using a school lock or sharing lockers will be subject to disciplinary action under the "**Rights and Responsibilities**" section of the **Student Handbook**.

Reavis High School has changed and updated its dress code policy. Every student and parent should revisit section **EE** in the **Student Handbook**. It will be strictly enforced. Students are to wear clothing that is appropriate for a school setting. Please keep this policy in mind when purchasing school apparel.

*Reavis provides an
alternative program to
external suspension. The
R.I.S.C. program (Reavis
Internal Suspension
Center) is an in-school
program to assist the
student in learning and in
exhibiting appropriate
behavior.*

Reavis has a yearly vehicle parking sticker available for the Austin Avenue lot for a fee of sixty dollars (\$60.00) and the 77th Street strip for fifteen dollars (\$15.00). Parking stickers can be purchased the first week of school from the Deans' Office. At senior schedule pick up day, August 7, you can provide your name and Reavis I.D. # on a sign up sheet and you will be contacted the first week of school. The criteria for purchase of a parking sticker for the Austin Avenue lot is—you have not received ten (10) or more discipline referrals, have not had more than six (6) absences per semester in the previous school year, all school fees from the previous year(s) must be paid in full. All stickers are non-transferable. Information needed to purchase a sticker includes make, model, color and year of car, home address information, and Reavis I.D. number. A copy of your driver's license must be given to the Deans' Office upon purchase of the sticker. If you need a new sticker, there will be a \$5.00 replacement fee. No sticker or sticker replacement fees can be added to your student account. Fees must be paid in full upon purchase of a new or replacement sticker.

It is important that parents and students review the "**Rights and Responsibilities**" section of the **Student Handbook**.

Handbooks will be distributed at the beginning of the school year. If you have any questions in regards to the Handbook, please contact the Deans Office.

In order for a student to receive his/her schedule, all medical and immunization records must be on file at Reavis.

If a student is planning to participate in a sport, the physical should be obtained after June 15. WAIVER OF STUDENT FEES

Reavis High School charges fees for the use of textbooks, consumable materials, some classes, and other school fees. Students will be charged for late fees or for the damage or loss of school books or other school-owned materials. A student shall be eligible for a fee waiver when the student is currently eligible for free lunches or breakfasts as outlined in the *Illinois Free Lunch and Breakfast Program* letter. ILLINOIS FREE LUNCH AND BREAKFAST PROGRAM

Dear Parent/Guardian:

Children need healthy meals to learn. **Reavis High School** offers healthy meals every school day. Your children may qualify for free meals or for reduced price meals. To apply for free or reduced-price meals, use the Household Eligibility Application, which is enclosed. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to school.

Your children may qualify for free or reduced price meals if your household income falls at or below the limits on this chart.

For each additional family member, add	7,437	620	310	287	144

DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. Complete the application to apply for free or reduced price meals. *Use one Household Eligibility Application for all students in your household per district.* We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to the school.

WHO CAN GET FREE MEALS? All children in households receiving benefits from Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) and/or are foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals regardless of your income. Also, your children can get free meals if your household's gross income is within the free limits on the Federal Income Eligibility Guidelines. Children who meet the definition of homeless, runaway, or migrant also qualify for free meals. If you haven't been told your children will get free meals, please contact your school to see if your child(ren) qualifies.

WHO CAN GET REDUCED PRICE MEALS? Your children can get low cost meals if your household income is within the reduced price limits on the Federal Eligibility Income Chart, shown above.

A MEMBER OF MY HOUSEHOLD RECEIVED SNAP OR TANF BENEFITS. THE SCHOOL SENT A LETTER STATING THAT MY CHILD IS AUTOMATICALLY APPROVED FOR FREE MEALS BASED ON DIRECT CERTIFICATION. DO I NEED TO DO ANYTHING MORE TO ENSURE THAT MY CHILD RECEIVES FREE MEALS? No. You do not need to do anything more to receive free meals for your child. If you have students not listed on the letter, contact the school immediately. If you do not wish to receive the free meals, you should follow the steps outlined in the letter from the school to notify school personnel immediately.

MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT ANOTHER ONE? Yes. Your child's application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.

I GET WIC. CAN MY CHILD(REN) GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out the enclosed application.

WILL THE INFORMATION I GIVE BE CHECKED? Yes. We may also ask you to send written proof.

IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.

WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by calling or writing to the person listed above.

MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced price meals.

WHO SHOULD I INCLUDE AS MEMBERS OF MY HOUSEHOLD? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children living with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.

WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

WE ARE IN THE MILITARY. DO WE INCLUDE OUR HOUSING ALLOWANCE AS INCOME? If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.

MY SPOUSE IS DEPLOYED TO A COMBAT ZONE. IS HER COMBAT PAY COUNTED AS INCOME? No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn't received before she was deployed, combat pay is not counted as income. Contact your school for more information.

MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for SNAP, TANF or other assistance benefits, contact your local Department of Human Services office or call (800) 843-6154 (voice) or (800) 447-6404 (TTY).

PESTICIDE NOTIFICATION LETTER

In 1999, the Illinois General Assembly passed laws requiring that public schools notify parents/guardians and school employees at least 48 hours prior to any pesticide application on school property. The term "pesticide" includes insecticides, herbicides, rodenticides, and fungicides. The notification requirement extends to both indoor and outdoor pesticide applications. Excluded from notification requirements are antimicrobial agents (such as disinfectants, sanitizers or deodorizers), insecticide bait, and rodenticide bait.

Reavis High School has therefore established a registry of people who wish to be notified. To be included in this registry, please complete this form and submit it to Timothy J. Smith, Assistant Superintendent. Any other questions you may have regarding the district's pest management practices may also be directed to Timothy J. Smith at 708-599-7200.

SUMMER READING

Reavis High School endorses summer reading to foster academic success. Current educational research shows that students who read over the summer consistently outgrow and outperform their peers who do not read. Additionally, research shows that the more students read the better readers they will become. Therefore, Reavis High School strongly encourages students to read over the summer.

This year, Reavis High School is teaming up with Burbank’s Prairie Trails Public Library and Stickney’s Forest View Public Library to promote a voluntary, nationwide summer reading program. To participate in the program, students must own a valid public library card. They can visit their local library as early as June 4th to sign up for the program. Students must check out books from their library and document at least 14 hours of summer reading between June 4th and July 28th in order to complete the program.

The public libraries offer several incentives for students who participate in this program. Each student will win a free book, a free invitation to Haunted Trails for food and games, and two free tickets to a Windy City Thunderbolts game. As students clock in their reading hours throughout the summer, they will also be entered in a raffle to win prizes including books, gift cards, and a tablet. Reavis is offering *separate* incentives for any students who fully complete the library program. They will each be awarded with a book of their choice (ordered just for them!), they will enjoy a lunch hour field trip upon their return to school in the fall, and they will each be entered into a raffle for a \$50 gift card.

The summer months offer a wonderful opportunity for students to spend time reading the books they enjoy—and now they will be rewarded with some great incentives as well!

EXTRA-CURRICULAR ACTIVITIES

High school can be especially exciting if you join an extracurricular activity. Extra-curriculars provide students the opportunity to learn new skills, sharpen your talents, and acquire special knowledge. So take a moment NOW to read this list and decide which extracurricular activity you would like to join. You can find complete descriptions of each activity in the *Student Handbook*. We guarantee your years at Reavis High School will be especially rewarding if you aim to “BE YOUR BEST”.

NO CHILD LEFT BEHIND NOTIFICATION

The Federal *No Child Left Behind* Act of 2001 requires school districts that receive federal Title I funding to notify parents of their right to know the professional qualifications of the classroom teachers who instruct their child.

As a recipient of these funds, Reavis High School will provide you with this information in a timely manner if you request it. Specifically, you have the right to request the following information about each of your child's classroom teachers:

- Whether the teacher meets the state qualifications and licensing criteria for the grades and subjects he or she teaches.
- Whether the teacher is teaching under emergency or provisional status because of special circumstances.
- The teacher's college major, whether the teacher has any advanced degrees, and the field of discipline of the certification or degree.
- Whether paraprofessionals provide services to your child and, if so, their qualifications.

Reavis High School is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. If you have any questions about your child's teachers, please contact Dr. Paige Dague at (708) 599-7200 x229.
