

# OPENHOUSE

For high school students and their parents

*Join us!*

**Saturday, June 21, 9 a.m.**

Building M, first floor, Moraine Rooms 1 and 2

Find out why so many students choose Moraine Valley. One-third of area high school graduates enroll after graduation. At Moraine Valley, students can complete the first two years of a university degree with courses that are guaranteed to transfer or gain career training for marketable job skills that today's employers demand. Tuition is reasonable, and you won't be spending money on room and board. Financial aid and scholarships are offered to qualified applicants. Ask us about **FREE TUITION** for high school students who graduate in the top 10 percent of their graduating class! Day, evening, weekend, honors, and online classes are offered. Our university-like campus features modern classrooms and labs, student clubs and athletics, and faculty and staff who are helping students change their lives for a changing world.
