December 2018

Dear Parent/Guardian:

The Reavis High School Guidance Department invites you to attend the **Class of 2020 Junior Parent Night on Wednesday, January 9th at 6:30 p.m.** in the Library. The night's events will include reviewing graduation requirements, college and financial aid timelines, standardized testing, and post-secondary options. Students recently met with their counselor during their homeroom period, where they received a list of senior elective courses, a course registration sheet, and a curriculum guide. These resources are all used to assist students in making course selections that align with their post-secondary plans.

As a parent, your input is vital to your student's decision-making process. Therefore, we encourage you to discuss this important information with your student prior to the parent meeting and come with any questions you may have. Counselors will be available during the evening presentation to address your concerns. Students will meet individually with their counselors in the month of January to select courses for senior year.

Additionally, all parents who attend Junior Parent Night will be entered into a raffle. One lucky winner will each receive a free national SAT test!

We hope you are able to attend the Junior Parent Night to assist in planning a successful senior year for your student.

Sincerely,

Eileen Jastrzebowski
Director of Student Services
