

## **REAVIS HIGH SCHOOL DISTRICT 220 BURBANK, ILLINOIS**

**VACANCY NOTICE  
2022-2023 SCHOOL YEAR**

**Posting Date:** July 11, 2022

**Position:** Title I Numeracy Coach – Full Time

**Reports to:** Title I Director & Division Chair for Math & Science

**Qualifications:** Illinois Secondary Education Teaching License  
Math Endorsement

**Job Description:** Help teachers in a School-wide Title I building to establish and use best practices in math strategies that will lead to improved student math skills as measured by local math assessments and standardized assessments. The Numeracy Coach serves as a School-wide interventionist within our Resource Center homeroom program as well as providing targeted assistance through push-in methods.

### **Essential Duties and Responsibilities:**

1. Provide mathematical assistance to all students.
2. Models best practice math strategies.
3. Collaborates with classroom teachers to provide instruction and remediation that result in improved mathematical abilities.
4. Plans a course of study that meets the individual needs, interests, and abilities of students and their teachers.
5. Sets clear expectations concerning the use of math strategies in the classroom.
6. Works cooperatively with classroom teachers to analyze and score student math computations based on criteria set in the instructional process.
7. Collaborates with other Title I support personnel especially in supervising and coordinating Resource Center activities, serving on MTSS committees, and hosting Parent Universities.
8. Works with the District Title I Director and the Math & Science Division Chair to develop a coherent and comprehensive Districtwide intervention plan.
9. Guides the learning process toward the achievement of curricular goals; establishes clear purpose and expectations for all projects and communicates those expectations to students.
10. Assesses and evaluates students' math achievement.
11. Keeps accurate records. Prepares reports as required.
12. Performs other duties as assigned by the Title I Director and/or the Math & Science Division Chair.

**Education and/or Experience:** Bachelor's Degree in Mathematics/Mathematics Education or related field; Experience as a teacher using a variety of mathematics instructional strategies.

**Communication Skills:** Ability to read, analyze, and interpret materials including assessment materials. Ability to present math problems with clarity. Ability to effectively present information and respond to questions from groups and individuals.

**Reasoning Ability:** Ability to solve practical problems and deal with a variety of variables in situations. Ability to interpret a variety of instructions furnished in written, oral, diagram, or schedule form.

**Other Skills and Abilities:** Ability to apply knowledge of current research and theory to instructional program; ability to plan and implement differentiated lessons based on school expectations and the needs and abilities of students to whom assigned; ability to assist teachers in incorporating instructional technology into the daily instructional program. Ability to establish and maintain effective relationships with students, peers, and parents.

**Salary:** Grant Based; Includes single health insurance coverage

**Closing Date:** When filled
