Welcome, Class of 2025! Enclosed you will find the **The 5 Steps to Completing Registration** for your student. Families are encouraged to complete these steps by February 8th, 2021 in order to ensure your student's class registration is finalized in a timely manner.

Student schedules consist of a seven period day. The Reavis High School Curriculum Team has reviewed your student's MAP or STAR scores, as well as other academic indicators submitted by their middle school. Based on your student's performance, the team has made the following core (required) course recommendations:

In addition to core classes, your student will have the opportunity to take two elective credits. If your student was recommended for Reading for Mastery, this will count as one of the two elective credits. Please visit our website at [www.reavisd220.org](http://www.reavisd220.org) and click on the Class of 2025 Registration pop-up box. Here, you will find additional resources that will assist you and your student in completing the registration process. You should review this section in its entirety before making your elective choices.

To select your electives, please complete the Class of 2025 Registration Survey no later than February 8th, 2021. If this survey is not completed by this date, your student will be placed in courses by their counselor.

If you have any questions regarding the registration process, please contact the specific person regarding your concern:
